

Parapet Mount

PPRM30G/PWM30G Videolarm for Panasonic Security Never Looked So Good

DESCRIPTION

For parapet mounting situations, the PPRM30G offers ease of installation and service. It's designed to be used on either inside or outside roof top parapets, and a 1 1/2" pipe thread allows quick and easy mounting of pendant versions of the SuperDome™, PressurDome™, and many other manufacturer's models. An extension piece is included, which features an access plug on the end for wire pulls and allows more flexibility in mounting. The design allows the dome to be swung back over the roof for servicing.

FEATURES

- All aluminum construction
- Durable powder coat finish
- 1 1/2" pipe thread for quick and easy mounting
- Extension piece with access plug for wire pulls
- 60 lb load rating
